■ **Referrals**—Our office receives thousands of phone calls, mail requests and website “hits” each year from local companies looking for vendors and from residents looking to connect with service providers. Only members of our organization are given as referrals to these potential customers.

■ **Networking, Networking, Networking**—Let’s face it, sometimes it all comes down to who you know. With an ever increasing number of local and global competitors, building strong business relationships is more important than ever before. The Westmoreland County Chamber works to provide a wide range of both structured and relaxed networking opportunities to help foster business relationships.

■ **Help Business Develop and Grow**—Chamber members have access to several resource tools aimed at counseling and educating small and mid-sized businesses. Through the Chamber’s relationship with area schools, SCORE, and the Small Business Administration, we are able to help businesses develop and grow. In addition, we offer a variety of member workshops on subjects like finance, marketing, technology, customer service and more.

■ **Ribbon Cuttings**—The Chamber is always delighted to help introduce a new business and spread the good news throughout Westmoreland County. Chamber members celebrating a grand opening, ground breaking, major facility remodel, or milestone anniversary are invited to let the Chamber help spread the word with one of our trademark Ribbon Cutting Ceremonies.

■ **Signature Events**—Successful business people know how to command a room and how to make their product or service known to others. By hosting over 125 events and programs each year, we give our members plenty of chances to meet prospective customers, entertain clients, reward employees, train staff, learn the latest techniques to make you more successful, and provide a platform to get your company the exposure you need to grow. From golf outings to elected officials forums and everything in between, we have a signature event just for you.
